The **Kinder Care International Preschool** is modern and professionally run with a full-time nurse and child psychologist on staff. There is one teacher and one teachers' assistant in each classroom, where there is an average of 8 students. Teachers speak and use some English in the classroom, but the language of choice is Spanish. Nevertheless, non Spanish-speaking children adapt well to this environment since the learning program is structured around arts, crafts, song and dance.

## **ACCOMMODATION**

### **Family Homestay Program**

EL SOL encourages students to take advantage of the homestay program, since living with a Peruvian family gives the student far more opportunity to practice the language in a natural context and to gain first-hand experience of the cultural and social life of Peru.

We realize that the quality of the student's homestay experience is, in many ways, just as crucial as their educational experience at the school. Our homestay families live within a 10 minute drive to the school and some are within walking distance. All can be reached by using public transportation. They have been selected because we think they will be sympathetic to the needs of the student and that they will help their guest feel as part of the family.

The Homestay Program offers students:

- A friendly atmosphere to practice Spanish.
- A private bedroom, furnished with a desk or work table. Linen is included.
- Morning and evening meals Monday to Friday, and all meals on Saturday and Sunday.
- Shared or private bathroom facilities
- Laundry service
- Close access to public transportation

### **Hotels**

EL SOL is located in the heart of Miraflores, which is the most popular district for tourists in Lima, so there are many hotels close to the school. These are mostly in the 3-star or 4-star range, but include everything from 5-star luxury hotels to backpacker hostals.

## **AIRPORT PICKUP**

Students can request that we pick them up from the airport (cost US\$ 20), or they can travel with one of the taxi agencies or shuttle buses that operate stands **inside** the airport. These reliable taxis charge approximately \$20 and the shuttle service, called the "Urbanito", charges approximately \$10. This shuttle will drop your student off at any one of a number of hotels.

We recommend that students **do not** contract the independent taxis that wait outside the main doors.

## **MEDICAL INSURANCE**

EL SOL accepts students for study with the understanding that they have contracted adequate medical insurance to cover them during their stay in Peru. Travel insurance can also be purchased at the school or on our web page.
